

K L UNIVERSITY
DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

Dt. 30-8-2015

SAHELI, KLU Girls' Student Forum of Department of Electrical and Electronics Engineering, conducted a meeting with II & III year girl students of the department to give awareness about "SAHELI". Mrs.D.Sudha, KLU EEE Women's Forum In charge interacted with II B.Tech and III B.Tech students.

She has told about the girl students grievance committee in the department and asked the students to give the grievances, if any, to the representatives of II year and III year to get their problems to the notice of higher authorities.

The representatives of every section of EEE have decided to make events every month in the department and about programs for women's forum i.e., SAHELI. Students decided to conduct an event on "Self Defense" in the coming month September.
