

Department of Bio- Technology

Report on 'SAHELI' Programme

The programme has been organized in the department of Biotechnology on 11-04-2012 in Room No.C 310 from 10.30 am to 11.30 am. All the 3rd year girl students and the girl students of 4th yr who got campus placements have participated in the programme.

1. The final year students shared their experiences of the campus placements and training programmes and campus interviews with their juniors.
 2. They gave the suggestions regarding
 - (a) the subjects and topics to be concentrated for the placements
 - (b) How to face the HR interviews
 - (c) How to attempt written tests
 3. The juniors have expressed their doubts and clarified with seniors.
- Feedback in the following format has been collected from the students.
-
