Date: 20/07/2019

Health is the most precious of gifts and everything must be done to maintain and restore it for human beings. Technologies are evolving to provide greater benefits to cure diseases and make life away from health sufferings, but these technologies must be reachable to all human beings, irrespective of all the barriers like cast, creed, religion, sex or geographical distance. Especially in villages, people effected with such predicaments. Rural areas where the sources of health facilities are very poor, the alternate is to find best possible ways to adopt the contemporary technologies with new innovations.

So we have conducted medical camp in Pinapaka village in association with Andhra Hospitals on 20/07/2019 and distributed the medicines and referred to the concerned hospital to cure the diseases.
