Awareness program on importance of education

After visiting the schools at Ravendrapadu village team came to know that the students were not aware of further studies and the different opportunities that are available for career building. So as a part of awareness campaign the team explained the students about the career opportunities that are available in the country at different places in different fields. They explained about how to build the quality life using various programs and opportunities provided by the government. The team explained the importance of physical fitness, sports and games and asked everyone to take practice everyday schedule.
