

KL UNIVERSITY
Department of Electrical & Electronics Engineering

Dt: 25/08/12

On 24th August 2012, KLU Womens forum set up a meeting with the freshers of the parent department to make an awareness program about “SAHELI” in room number E007 from 4.10PM -5.00PM. Mrs.K.Sarada, faculty of EEE interacted with the girl students of II B.Tech & III B.Tech EEE

She has told about drop boxes that have been arranged in the college for girls especially to get their problems to the notice of higher authorities.

From the students side Y.Sindhu Chowdary, III B.Tech EEE shared her experience in Sravanthi School , a Govt. school near Gannavaram as a part of STAR PROGRAM in WIE.

CONCLUSION: The representatives of every section of EEE have decided to make events every month and about programs for women's forum i.e., SAHELI. Students decided to conduct an event in the coming month September with II B.Tech representatives as co-ordinates for that event.
