Plantation with Geo tagging at Sitarampuramtanda

Date: 13/08/2019

As a part of SVR Project, its responsibility to ensure the overall growth of the villages and the society in all the aspects. In order to encourage the clean and green atmosphere, we have initiated plantation activities in the villages, because of that, people of the villages are motivated to do plantation and they can set an example for the urban people to follow the same to save the atmosphere from various future disasters like global warming, water crisis and imbalance of the nature. All the community people from the village from various areas have gathered and enthusiastically performed plantation activities and they felt very happy to be associated for this noble cause. And plantation was geo-tagged, to track the plant status.

At **Sitarampuramtanda** the plantation with Geo – tagging was done to improve the Greenery of the village on 13/08/2019.
