K L E F Women's Forum conducted a "Awareness Programme on Skin Care- COVID- Hair and Skin changes" in Jasmine hall on 10.02.22. The Resource person Dr.Yasmeen Shaik completed Basic education cosmetic dental surgeon from NTR University and PG Diploma in Medical Cosmetology from Delhi and taken Fellowship in facial aesthetics and master course in micro pigmentation from Norwest university Georgia, and in Trichology from Mumbai and she told that During COVID, a lot of people get a small rash that is barely visible; that rash results in skin shedding . While recovering from COVID-19, many patients suffer from hair and skin-related issues like hair fall, acne, body pimples, skin peeling, and herpes among others. Is it normal to get skin peeling after COVID?

Does one need to take supplements to maintain skin and hair post COVID? If yes, which ones?

Some people have complained of severe hair fall, losing as much as 50 per cent of the hair, post-COVID. What is the reason and will hair regrow?

General questions: bald head, pigmentation

The programme is ended with a vote of thanks to the resource person by Dr S.V.N.L.Lalitha -Convewnor womens Forum. Dr. Ch. Hanumantha Rao Dean(SA) felicitated the Guest, with shall and a memento.
