WORKSHOP ON WRITING SKILLS

Pouring one's thoughts and ideas onto paper and making them understandable to others is a skill that writing fosters. To help students acquire the writing abilities they need, the Literature club along with Director of SAC and Dean- Student Affairs has organized a workshop on 23.07.2022. Their main goal was to teach how to properly articulate their feelings and ideas so that others understand them. The students were also exposed to a variety of writing styles, such as formal and casual writing languages, to help students develop and hone their writing skills. Additionally, proper grammar and vocabulary usage were emphasized. To keep the session interesting, a variety of additional activities that didn't involve writing exercises were also undertaken.
