

EEE Report on SAHELI Activity

Dt. 30-10-2014

SAHELI, KLU Girls' Student forum of Department of Electrical & Electronics Engineering, conducted a seminar and group discussion on "Nirbhaya Act" in E107 from 3:30 P.M to 5:00 P.M on 28th October 2014 under the guidance of Ms D Sudha , KLU EEE Womens Forum Incharge. Ms. B. Alekhya (12006232), Ms. B. Pavani (12006256), Ms. Nazia Noor (12006280) of III B.Tech gave a seminar on the history of Nirbhaya Act and the persons who were punished under this act. They have discussed the following points

- Origin
- Necessity
- Case studies

A group of students came out with various ideas in group discussion which was conducted among the girl students of EEE about the Act. In that students discussed about the safety measures to be taken when they are going alone, particularly in the late hours. Students participated very actively in the discussion. Even girls are particular about the way of dressing when ever they go out and they feel it to be followed every one which may help in reduction of women victims.
