

# Report of Webinar on Empathetic Learning on “Biotechnology in Beating cancer” with emphasis on Breast Cancer

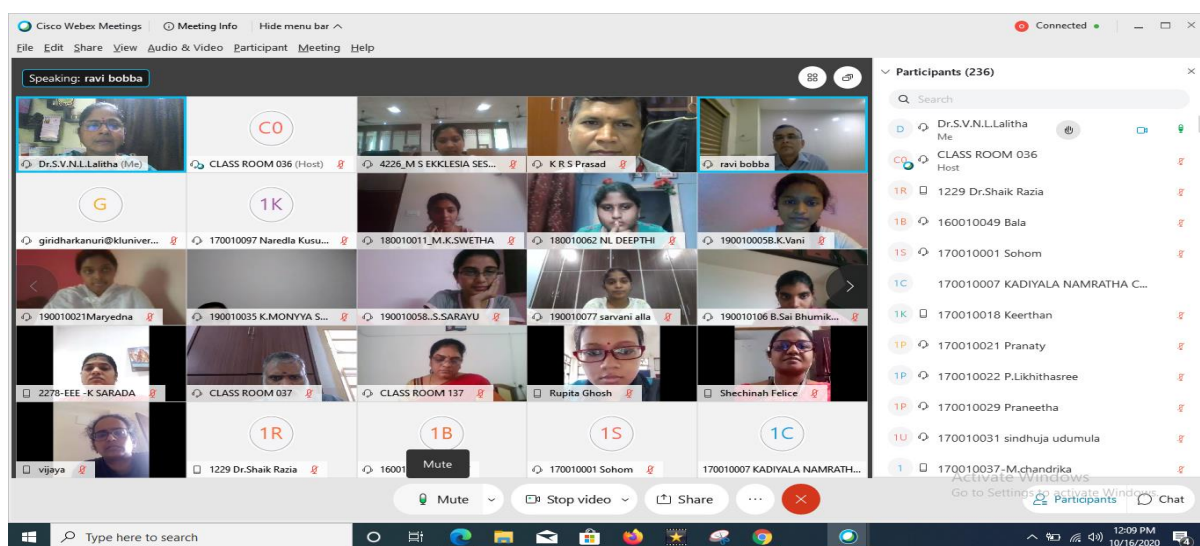

Women’s Forum in association with Department of Biotechnology and Department of Chemistry, KLEF, has organized a webinar on EMPATHETIC LEARNING on “**Biotechnology in Beating cancer**” with emphasis on breast cancer for Students, Teaching and Non Teaching Staff of KLEF on 16<sup>th</sup> October 2020 (Friday) at 11.00 a.m.

Event started with a welcome note by Dr. S.V.N.L.Lalitha, Convener Women’s Forum. Dr. K.R.S.Prasad, Dean Student Affairs has graced the event and given his message to the participants to make use of the opportunity to get full awareness on breast cancer.

The resource person of the event is Dr.Ravi Kiran Bobba, Medical Oncologist, RAVI'S AMERICAN CANCER CARE, Vijayawada. Around 280 members have participated from various departments. **This event on Empathetic Learning** was very successful in enhancing the knowledge in both the students and faculty.

Student and faculty have asked various questions and were clarified by **Dr.Bobba and Dr. Giridhar**. Dr.K.Giridhar, Head of the Department of Bio Technology acted as a moderator for the question and answer session. It has become a unique interactive event during COVID 19 situation, organized in online mode.
