The programme started with a welcome note by Dr M.Sreedevi, Coordinator Women's Forum K L E F she introduced the resource person Mrs: Radhika, Judicial Officer, Guntur District to the gathering.

Mrs: Radhika started and she told that violation of women's fundamental rights through physical, mental, emotional, and sexual violence against women has become almost commonplace in the Indian context. With the current state of affairs, it is extremely essential for us to be vigilant and aware of the rights and duties that the law of the land make available to us. Most women aren't aware of women's rights in India and

other times their legal rights are not protected as they should be, Mrs: Radhika told Some Tips to students Regarding Legal Rights to Women.

Legal Rights to Women:

The following various legislation's contain several rights and safeguards for women:

- 1. Right to Dignity And Decency**
- 2. Right against Harassment At Work**
- 3. Right against Domestic Violence**
- 4. Right to Free Legal Aid**
- 5. Right not to be Arrested At Night**
- 6. Right to register their Complaint Virtually**
- 7. Right against Indecent Representation**
- 8. Right against Maternity Benefit**

In this situation she told a beautiful quotation "A woman with a voice is, by definition, a strong woman." - Melinda Gates.

Women need to own up to their power and know their rights. No longer should you take oppression, no longer should you take the harassment, as she says "I love to see a young girl go out and grab the world by the lapels.

Dr. M. Sreedevi felicitated the Guest, Mrs: Radhika with a shawl and memento.
