HEALTH CAMPS

Description of the event:

Health is considered to be the best wealth that a person could possibly earn in his/her life. It gives us the strength to work and earn food for ourselves and our families. As a part of our pilot study conducted in the nearby villages of Vijayawada, many health issues were detected in different age groups for both men and women.

Professionally equipped medical camps with specialized doctors is held in the village located in Krishna district in order to ensure good health for the locals. Trained Medical attenders were there to provide help for the needy. Health issues regarding various concerns were clearly explained. Awareness for Prevention and detection of symptoms related to various medical emergencies were also explained.

Benefits:

1. Health care and medical checkup of the locals was ensured.
2. Awareness was spread regarding various medical concerns which should not be neglected or ignored.

No of Students Participated : 60
