### **Creating learning hub at village**

SAC volunteers organized an event in Pedapalem village to create a learning hub at village. In order to create the platform for the students to explore themselves and connect with the world in the field of education, team created the group of educated people in the village connecting the students.

- The team has taken steps to aid and enhance the education and job opportunities of the students with technologies.
- The recent evolution of digital technology in education sector will further accelerate growth by ensuring and enhancing the sustainability in education by providing various opportunities to reach students in the village.
- Reducing and eventually eliminating the illiteracy in the village by this learning hub to create opportunity to learn and become educated with this hub that was created.

No. of Volunteers participated: 32
