House holds Survey in Dasulapalem

Date: 17/09/2019

A survey is a research method used for collecting data from a predefined group of respondents to gain information and insights into various topics of interest. They can have multiple purposes, and researchers can conduct it in many ways depending on the methodology chosen and the study's goal.

Here in KLEF – SVR adopted villages, the household Survey has been conducted to gather the information and to process the SVR internship program in one of the KLEF adopted village on 17/09/2019. In this students and staff are involved.

Participants: SVR team, Students, Staff
