Awareness program for girl students on social works

As a part of Awareness program for girl students on social works team gathered all the girl students in the village and made a program for creating the awareness on different aspects that will help in being clean & hygiene along with social support. Team explained and made an initiative program on usage of dustbins, kitchen gardening- how to create and what are the uses of it, clean drive in surroundings of their home and at home, maintenance of drainage and plantation-its uses. These things were taught and created groups to follow up the programs.

No. of Volunteers participated: 14
