Work-shop on Designer Ware

Department of Civil Engineering womens forum has organised a Central Level Activity on 27th August 2016 on the “**Making of Designer ware homemade ornaments and Decorative items**”. The venue is at girls hostel mess. The event was conducted from 3:20p.m. to 5:00p.m.

Many a number of girl students were gathered for the event and the hostel wardens. They were made to learn how to make the homemade ornaments using old bangles and threads by the resource person Ms.K.PRASANTHI and her team of Mrs.V.SreeLakshmi, Mrs. T.K.DurgaDevi, Ms. Biswajitha Mohanthy. They also made the students to learn how to prepare the decorative items from old newspapers and other waste materials.

After the demonstration of the making of the ornaments and decorative items the students have actively done some samples of designer bangles by using their required coloured threads.

As the gathering had a many a number of freshers Dr.Lalitha has addressed the gathering and created an awareness about the womens’ forum and it’s activities.
