In this context KLEF – SVR has involved in this activity to safe guard the children from intestinal worms and related ailments with the help of local Doctors and anganwadi teachers.

Distribution of De – worming medicine along with the Asha worker and Anganwadi teacher at KLEF – SVR adopted villages

Rally on De – worming Day

During the rally it was clearly explained that, Deworming children with medication – a single pill – have been shown to drastically reduce the number of worms in their bodies. This prevents the negative effects by worms have on infected children's health, nutrition and cognitive abilities. The villagers felt happy with the reasons and effects of worms to the child's health.
