

A Report on Women Forum, FED Activity on Engineers Day

As part of KLU Women Forum activities, Elocution competitions are conducted for all First year students on 10-9-15 in F506, FED at 2PM. Prizes are distributed on 15-9-15 on the eventful 'ENGINEERS DAY' in F506, FED at 2PM.

Students participated with their own choice topic but the theme depicted 'the menace in the present society in case of women'. 57 students participated and 22 students were short listed.

Prof. Lalitha, Department of EEE, Convener of Women Forum addressed the students and informed the very purpose of establishing Women forum.

Dr. Sheela.S.K.,Department of English boosted up the students towards Women Founm activities as every 18 year girl student should know what is going on around her in the society by indulging herself in the activities conducted.

Students had given power point presentation on 'the menace of Women in the present society' as well 'Eminent Lady Engineers in India'.
