Dignitaries on the dais lightening the lamp

A welcome speech was addressed and is followed by guest speaker Dr.Velamati Manohari to inspire and encourage all the women to keep excelling consistently and to keep moving every time. Dr. Yasmin in her speech motivated the girl students to be brave and compete well to reach the greater heights. She also talked about the issues related to gender equality in the society.

Guest of honor Dr. Yasmin

Dr. Velamati Manohari

Faculty and staff are awarded for their achievements in academic, research, sports and games. Long standing Faculty and staff who contributed their services to KLEF are also felicitated with awards on this occasion. Students are awarded for their highest CGPA, and other competitions such as elocution, debate etc. Various spot events are conducted to enhance the flavor of the day. Students from different departments have participated in dance and singing competitions. A few games were held for all the teachers for their recreation. Workshops that involved baking, planting trees were also conducted. This celebration brought fun, happiness, entertainment and a sense of unity among all the students and faculty. Women were invited to perform different activities like mime, drama etc. over the stage to entertain the audience. Women sang melodies, shared stories and experiences from their life and danced merrily. Sweets, snacks and beverages were served among the audience for their nourishment and refreshment.
