## A Report on Tree Plantation in KLEF – SVR adopted villages

**Date: 19/08/ 2020**

Tree plantations are often hailed as providing a wide range of economic, social and environmental benefits to rural regions. Forests are further the homes of so many indigenous species, whose loss would be critical for the balance of the eco-system. The need for trees is for the benefit of our own future generations. They are indeed guardians of our planet. Hence in KLEF – SVR adopted villages to improve the green cover tree plantation is done. Villagers also had taken part in plantation with our motivation.
