### **ENVIRONMENTAL DAY -HALF YEARLY EVENT**

#### **Objective:**

To bring a clear idea to all the students of KLEF about “**How individual behavioral changes**” can bring a difference in the Environmental Crises.

#### **Activity:**

As a part of the Half Yearly Event, we invited **Mrs. Nupur Tandon**, a Social Entrepreneur who started pro-waste concepts in 2012. Pro waste helps set up integrated, sustainable environment-friendly processes thus creating "Zero Waste Zones". She addressed nearly 450 students about the effects of plastic in the country and on campus and explained the importance of segregating the waste and effective disposal of the waste. Later in the session, she explained the process of waste segregation and compost-making process on the campus.

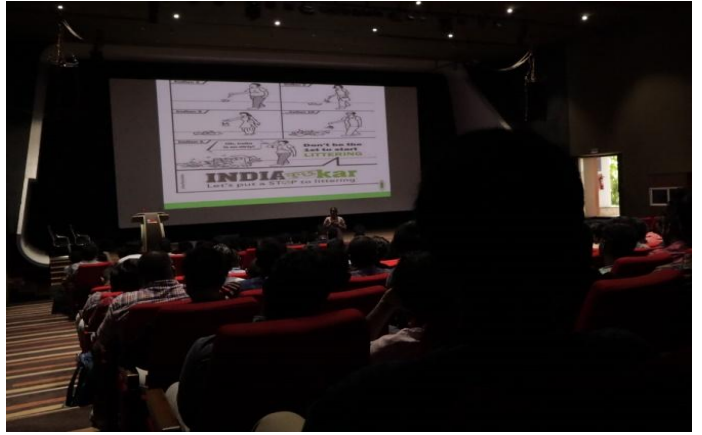

#### **Outcome of the Activity:**

Students have got an idea about how the waste segregation, composting and transporting the dump is been done in the college campus and started reducing single used plastics and started bring their own cups to reduce the paper/ plastic waste.

No. of Volunteers participated: 450
